

Physiotherapy, Medicine and Nursing 2021/2022

at the Faculty of Medicine in Badajoz campus at UEX.

- **Certificate B1 Spanish to be sent to the Academic coordinator:**
Online certificates are not considered.
Certificates from the home institutions or official entities are accepted.
Certificates will be sent with learning agreement (the students will not be accepted if this one is not sent as requested).
- **Learning Agreement to be sent to the Academic coordinator:**
It will be sent before July 10th, following the instructions:
<https://www.unex.es/organizacion/servicios-universitarios/secretariados/sri/erasmus-incoming-15-16/info-11.-registration-procedure-once-in-the-uex>

Lessons **timetables** cannot overlap and no more than two academic years/level can be mixed up (exceptions to be discussed with the academic coordinator may apply).

Please, check timetables here: <https://www.unex.es/conoce-la-uex/centros/medicina>

It is not possible to take only part of a subject, even when this one has two different ones. The student will have to take the whole of it.

- **Nursing students coming to this Faculty:** Will start their practicum only if they have previously done the following prior arrival at UEX:
Prove of updated vaccination/inmunization schedule (recent and complete serology from your home country (with hepatitis B and post-vac antibodies Hepatitis B and VIH. Tetanus-diphtheria. Flu vaccination is highly recommended when appropriate.
Whenever possible, students will come with the Covid-vaccine too.
This should be sent by email before coming here, as well as the learning agreement and language certificate when as requested above.
The UEX might ask the student to be evaluated by a primary attention doctor here on this, if needed.

- Students coming to the Faculty of Medicine (and to any other) will make sure they send –when requested- the **EHIC** (European Health Insurance Card) and bring it with them. Also, **private insurances** can be accepted. **A civil liability insurance for studies** in a medical centre is also requested to be sent by email before coming to the UEx. (more information will be sent after the nomination deadline from the International Office).

-COVID-19. Practicum:

Due to the current situation, during the first term of 2021/2022 academic year, practicum from 6th year Medicine, 4th year Physiotherapy, and Nursing practicum in this centre, will not be offered.

In the second term, depending on the situation with Covid-19, and whenever there is reciprocity between sending and receiving institution, there should be availability in practicum for:

3 vacancies per subject in the case of Medicine

4 vacancies per subject in the case of Physiotherapy

4 vacancies per practicum in the case of Nursing (for this faculty).

5 vacancies per subject in the case of General Radiology 3rd yr Medicine and Physical medicine 5th yr.
